

Privacy and Confidentiality Policy for Game App

We at Impact Plus Technologies Pte Ltd are committed to protecting the privacy and confidentiality of our users. This Privacy and Confidentiality Policy (the “Policy”) explains how we collect, use, and disclose personal and non-personal information that we collect from users of our game app.

1. Information We Collect

We may collect two types of information from users of our game app: personal information and non-personal information.

a. Personal Information: We may collect personal information from users when they register to use our game app or when they make a purchase through our game app. This information may include, but is not limited to, name, email address, phone number, and payment information.

b. Non-Personal Information: We may also collect non-personal information from users when they use our game app. This information may include, but is not limited to, IP address, device type and operating system, in-game data and statistics, and usage data.

2. Use of Information

We use personal and non-personal information that we collect to provide and improve our game app, to communicate with you about our game app and your account, and to fulfill your requests.

We may also use your personal information to send you promotional offers and other marketing communications that we believe may be of interest to you.

We may use non-personal information for analytical purposes, to improve and develop our game app, and for other business purposes.

We do not sell or share your personal information with third parties for their own marketing purposes.

3. Disclosure of Information

We may disclose personal and non-personal information to our service providers who provide services on our behalf. These service providers are authorized to use your personal and non-personal information only as necessary to provide the services to us.

We may also disclose personal and non-personal information in response to a subpoena, court order, or government request, or when we believe in good faith that disclosure is necessary to comply with the law, to prevent fraud, or to protect the safety of our users.

4. Security

We take reasonable measures to protect your personal and non-personal information from unauthorized access, disclosure, or destruction. However, no method of transmission over the internet or method of electronic storage is completely secure. Therefore, we cannot guarantee absolute security.

5. International Users

Our game app is operated in the United States, and personal information may be collected, used, and stored within the United States. If you are accessing our game app from outside

the United States, please be aware that your personal information may be transferred to, stored, and processed in the United States where our servers are located.

6. Children's Privacy

Our game app is not intended for use by children under the age of 13. We do not knowingly collect personal information from children under the age of 13.

7. Changes to this Policy

We may update this Policy from time to time. The effective date of the most recent version of this Policy will be noted at the top of this page. Your continued use of our game app after the effective date constitutes your acceptance of the updated Policy.
