  - Login provided by Sandy Lund (WHS school registrar)
- [How to change your PowerSchool/PowerTeacher password](#)
- [Setting up classes in PowerSchool/PowerTeacher](#): Some guides for navigating the system

### Network/Active Directory

Your network login for your district-supplied laptop will be shared with you by the WHS office. You will be prompted to change your password on your first login to a school computer. Login help is also available from the LLC staff.

Reminder to use the HS-Staff wireless network with your network login  
If you must use the WPS-Guest network, the current password is: **Warrior1**

You will need to change your network password for logging into the computer and HS-Staff every 90 days.

- Passwords must be at least 9 characters long
- Passwords must contain three of the four categories:
  - Lowercase letters
  - Uppercase letters
  - Numbers

- Special characters ` ~ ! @ # \$ % ^ & \* ( ) \_ - + = { } [ ] \ | : ; " ' < > , . ? /
- Passwords cannot include your first or last name.

### Putting in Help Desk Tickets

If you have a hardware or software problem or failure [please follow these instructions](#) to submit a service ticket to our IT Technicians.

### Approved Applications and Programs

In order to comply with state mandated privacy standards we can require students to use only approved applications and programs

[Approved Applications and Programs](#): A list of applications and programs that meet CT privacy standards. In order to request an app that is not listed, see the LLC staff.
