Dear Sir/Maam,

Good day!

I hope this email finds you well. I would like to ask if we can possibly request for an e-copy of this article from your publication with the following citation:

Violanta, R. 2010. Diffusion of biotechnology innovations in selected agricultural communities of Batangas and Laguna, Philippines. R&D Journal v.18 issue no. 1, pp: 33-49. University of Southern Mindanao, Philippines.

One of our students is requesting this for her thesis writing. I looked it up on your website and found that this is not available. We would be most grateful for your assistance.

Thank you very much.

Sincerely,

--
