MARA CLUB 927.6125 NET PREAMBLE (Example)

(Link to downloadable version of this preamble is at the bottom of this page)

Welcome to the Sunday “Super Niner” Net. This net meets every Sunday night at 8:30pm on the 927.6125 repeater with a PL tone of 146.2.

The repeater is located on the WKNO towers.

My name is (your first name & call sign), and I will be your net control operator this evening. This is a directed net and all stations will refrain from transmitting without being acknowledged by net control. The goal of this net is to encourage use of the 900 repeater.

This net is affiliated with the Mid-South Amateur Radio Association (aka MARA), however, all licensed amateurs are encouraged to check-in and need not be club members.

The format of this net is to check-in using your suffix phonetically. When called to check-in formally, please tell us your first name and full call sign.

We will now take check-ins from anywhere in the alphabet, ALPHA through ZULU. Please come now and spread them out slowly.

This is (your first name & call sign), now closing this session of the Sunday "Super Niner" Net.

I would like to thank all ____ stations for checking in tonight and ask everyone to check-in next Sunday night at the same time. Goodnight and “73”.

The net is now closed.

This is (your first name & call sign)
