CHORDU C+3 PIANO 0K!

[Verse]

I [Am]haven't really ever found a place that I call
[F]home

I [Am]never stick around quite long enough to
[F]make it

I a[Am]pologise that once again I'm not in [F]love

But it's not as if I [Am]mind that your heart ain't
exactly [F]breaking

It's just a [Dm]thought, only a [G7]thought

[Chorus]

But if my [C]life_[G]__ is for [F]rent

and I [C]don't [G]learn to [F]buy [G]

Well I de[C]serve nothing [G]more than I [F]get [G]

'Cos nothing I [C]have_[G]__ is truly [F]mine

[Verse]

I've [Am]always thought that I would love to live by
the [F]sea

To [Am]travel the world alone and live more
[F]simply

I have [Am]no idea what's happened to that
[F]dream

'Cos there's [Am]really nothing left here to [F]stop
me

It's just a [Dm]thought, only a [G7]thought

[Chorus]

But if my [C]life_[G]__ is for [F]rent

and I [C]don't [G]learn to [F]buy [G]

Well I de[C]serve nothing [G]more than I [F]get [G]

'Cos nothing I [C]have_[G]__ is truly [F]mine

But if my [C]life_[G]__ is for [F]rent

and I [C]don't [G]learn to [F]buy [G]

Well I de[C]serve nothing [G]more than I [F]get [G]

'Cos nothing I [C]have_[G]__ is truly [F]mine

[Bridge]

While my [C]heart is a [G]shield and I [Dm]won't let
it [G]down

While I am [C]so afraid to [G]fail so I [Dm]won't
even [G]try

Well how can [Dm]I say I'm a[G7]live?

[Chorus]

But if my [C]life_[G]__ is for [F]rent

and I [C]don't [G]learn to [F]buy [G]

Well I de[C]serve nothing [G]more than I [F]get [G]

'Cos nothing I [C]have_[G]__ is truly [F]mine

If my [C]life_[G]__ is for [F]rent

and I [C]don't [G]learn to [F]buy [G]

Well I de[C]serve nothing [G]more than I [F]get [G]

'Cos nothing I [C]have_[G]__ is truly [F]mine

Nothing I [C]have_[G]__ is truly [F]mine

Nothing I [C]have_[G]__ is truly [F]mine

'Cos nothing I [C]have_[G]__ is truly [C]mine
