# What We Will Do

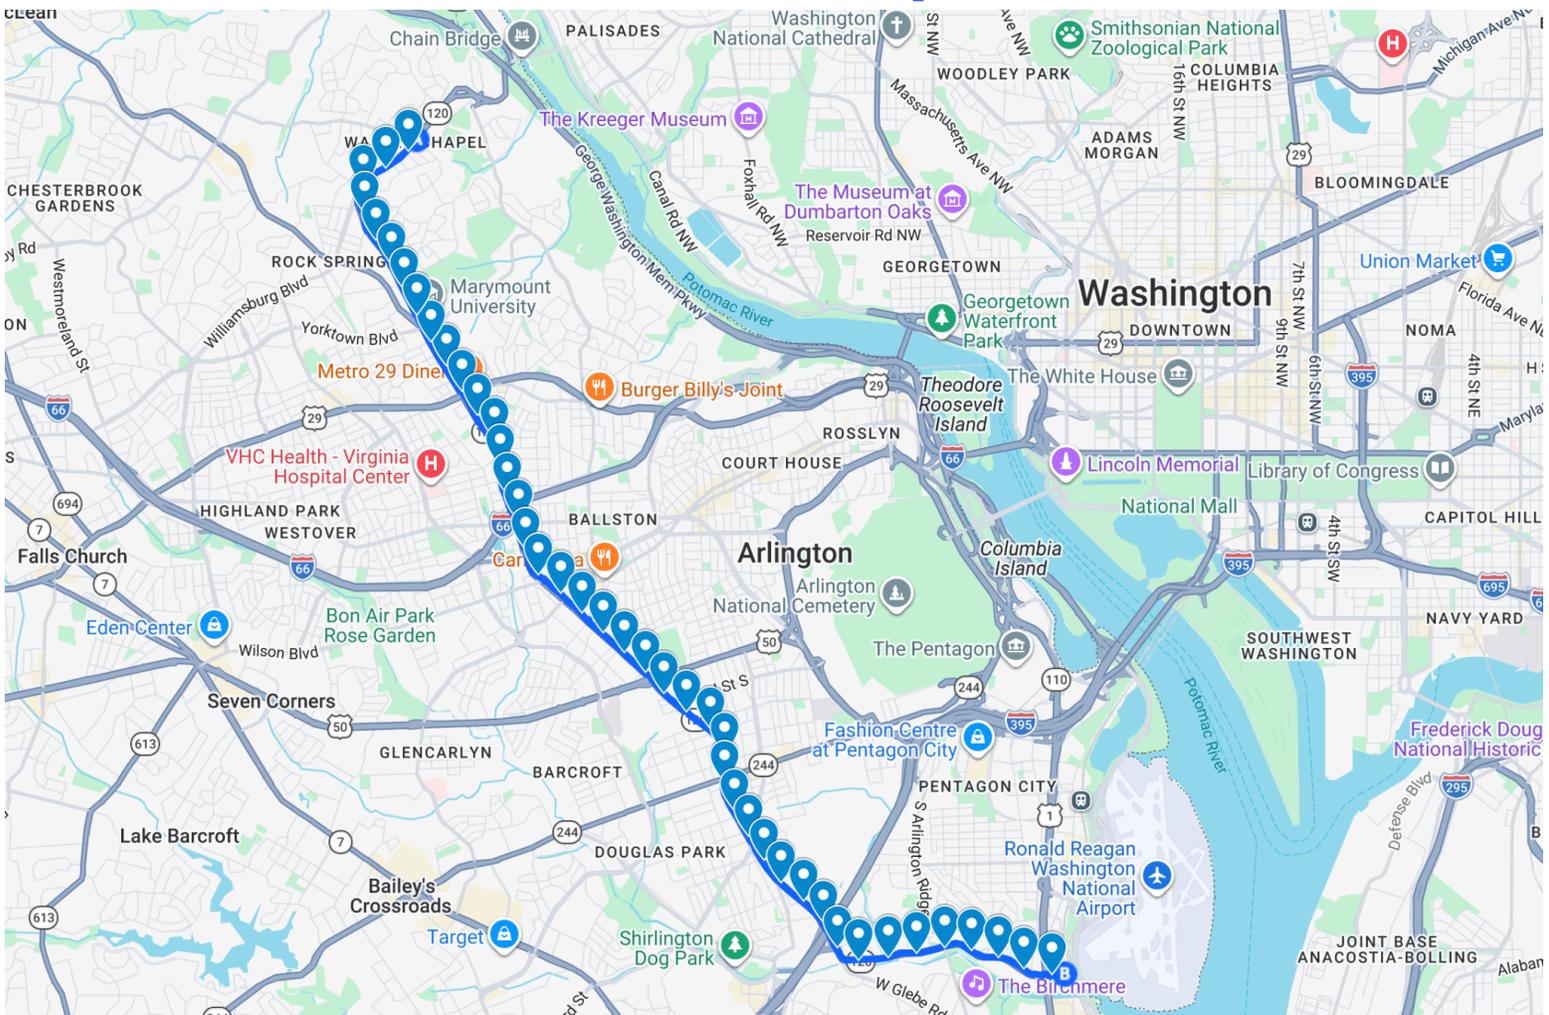

We will form a human chain of conscience across Arlington in peaceful protest against Trump's illegal and authoritarian actions.

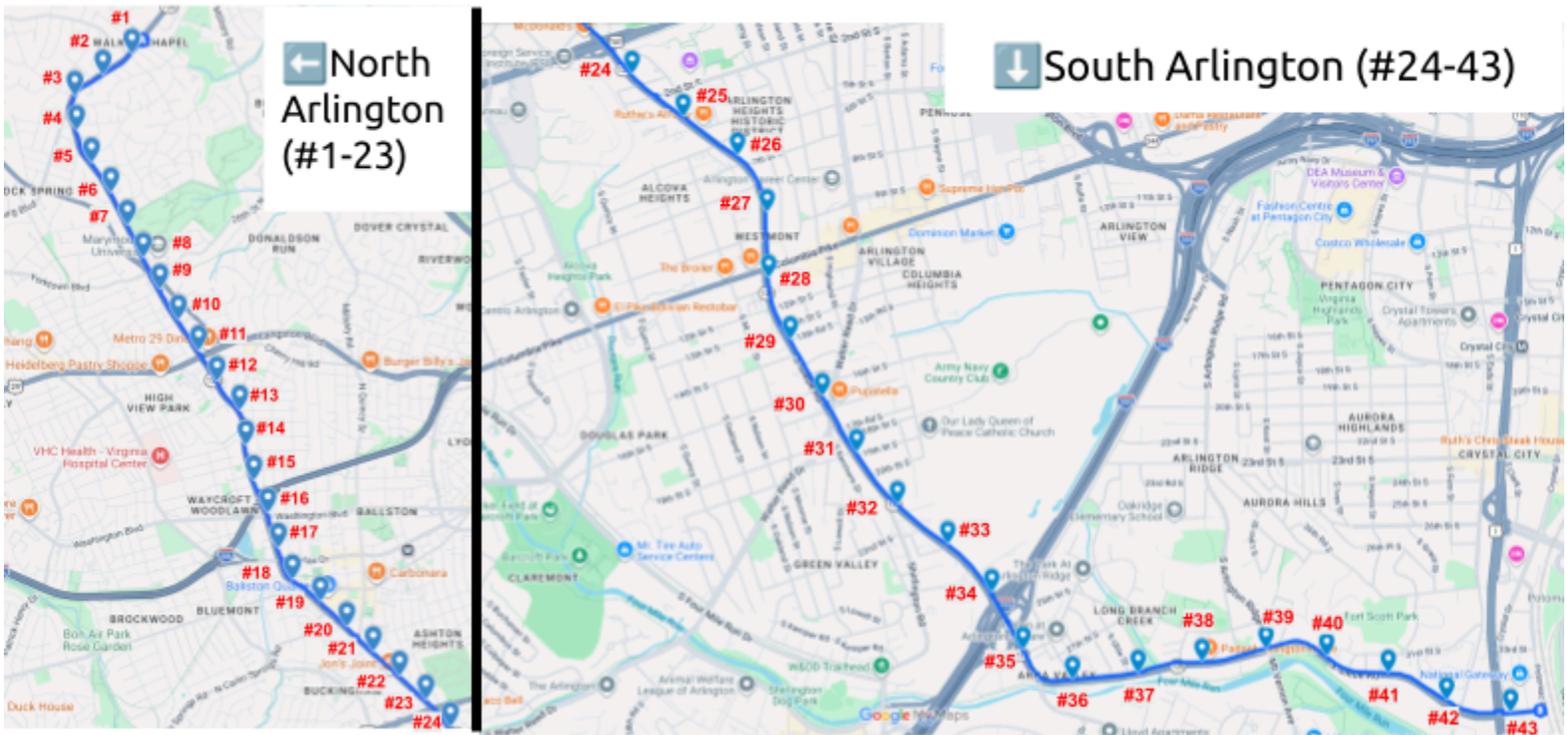

We will line the sidewalks along Glebe Road from Chain Bridge in North Arlington to National Gateway in South Arlington.

This is a peaceful protest. We will not block streets or businesses along the route.

**Bring signs, flags, and wear your favorite resistance wear!  
Inflatable costumes if you have them and make some noise!

# AirTable Signup Instructions:

# Safety and Security

Unfortunately, we must be extremely vigilant given the actions occurring around the country. **We are a non-violent, peaceful protest.** Do not engage with disruptors. Ignore! Ignore! Ignore!

For security and safety, please be well-versed in the ACLU Know Your Rights Training: ACLU TRAINING Rights:

<https://www.aclu.org/know-your-rights/protesters-rights>

Arlington County Police are aware of our event and will be patrolling the area. See something? Say something. Captains will have a whistle and will use it in an emergency. If someone is harassing the group, you put your hand in the air like a fist and sit down. Get low. This way, we can see immediately who the disruptor is.

FILM EVERYTHING. Use common sense and walk away if it becomes unsafe. DO NOT ENGAGE. They want to poke the bear, we won't let them!

# Frequently Asked Questions

## **How do I sign up for a spot?**

Check out page 4 of this document!

## **How do I sign up for a small group coming together?**

If you are planning to attend with friends or family, **only one person** needs to sign up in Airtable to reserve spots at a location for all of you.

## **Where do I park?**

There should be nearby commercial, residential, and street parking along the entire route. After you park, please walk to your assigned location and spread out about 500 feet in either direction from the intersection/location listed as your station name. Always stand on sidewalks — **please** don't block intersections, driveways, or entrances. Stand on the EAST side of the street, unless sidewalks are only on the West side. Use your judgment and adjust your location as needed to address accessibility issues.

## **Where *exactly* do I stand?**

You and up to 200 others will be assigned to a single spot, or “Station”. Everyone at this spot should spread out along the sidewalk to cover about 500 feet in both directions. There should be *at least* one person roughly every 5-10 feet, rather than clusters of people followed by large gaps. Please stand on or close to the sidewalk. There are sidewalks in almost every stretch of the route. Stand on the sidewalk on the East side of the street, unless sidewalks are only on the West side.

## **How long is the protest?**

The protest is officially from 1:00 PM to 3:00 PM on Saturday, March 28th, 2026. RAIN OR SHINE!

## **Are there accommodations to make the protest accessible?**

Attendees are encouraged to stop at any spot along the route if needed for accessibility reasons.

## **Which stops are Metro Accessible?**

Technically all! The **MetroBus A70** line runs up and down the entire route along Glebe Rd regularly and throughout the day. However, the most metro *rail* friendly locations are located near Ballston,

### **Ballston Metro (Orange and Silver Line):**

### **A70 Bus Line:**

<https://www.wmata.com/initiatives/plans/Better-Bus/route-profile.cfm?route=A70>

## **Are there public restrooms?**

We have not made arrangements with any businesses and do not have a list of all public restrooms along the route. Use your judgment, and if you use a business's restroom, it's also good practice to purchase something.

## **What if someone asks you to leave?**

The sidewalk is a public space, and you are within your rights to be there. Do not block access to any commercial or residential property or entrances.

## **Is this event appropriate for children and families?**

Absolutely! We think it is important for young people to participate in their First Amendment rights! What a teachable moment! Plus, they make great signs! We just ask that everyone be careful and watch out for one another. Please be mindful of the messages and images used on any signs, and leave any profane or threatening/violent messages at home. If our marshals spot any signs they deem inappropriate, they may ask you to put them away. This is a non-violent, peaceful protest focused on unifying communities, not dividing them!
