

## STUDENT A: Communicative Activities - Present Continuous

### Task 1: Describe the Scene

Look at the picture below. Imagine you are at this party and you do not know the names of any of these people. Ask your partner questions to discover the names of the people. You only have one rule. You cannot ask a question like "Who is Dave?" or "Which person is John?" or "What is Sally doing?". You have to ask "Who is the person who is dancing and wearing a red hat?" or "Is Sally using the computer?"

- ( ) Tom
- ( ) Dave
- ( ) Helen
- ( ) Danny
- ( ) Jason
- ( ) Lucy
- ( ) Eve
- ( ) \_\_\_\_\_
- ( ) \_\_\_\_\_
- ( ) \_\_\_\_\_

Now your partner will ask you questions to learn the names of the people in the University Recreation Center. Don't give additional information. Only answer what your partner asks you.

**Task 2: Find the Differences**

Now click on the link below according to your Breakout Room number. Then go to your place in the document.
