

Leicestershire & Rutland Postal L&R 300 Season Summary - 2023/2024

The final scores are in and with that the 2023/2024 L&R300 draws to a close. All that is left is to wrap up the season, mention some numbers and confirm who has won medals.

I would like to say a big thank you to the club reps for their time and effort in getting scores in. As this was my first season running the competition and also the first year of the brand new scoring and results system, we were all learning as we went along. That said, though, feedback has been positive and hopefully, I'll continue to run the competition in the same manner next indoor season.

The numbers of archers participating this year has been very good with boosts to both seniors and juniors over last year. We have almost had a return to pre-lockdown numbers, which is encouraging. It has been good to see the increase in the number of juniors shooting as last season was a record low. There were very good numbers of archers shooting the competition for the first time with over 90 new archers taking part.

Three all time records were broken:

Senior Female Barebow was improved from 244 to 275 by Anastasia Wilson of the Foxes

Senior Male Compound was improved from 295 to 297 by Adam Ravenscroft of the Foxes

Senior Male Flatbow was improved from 199 to 219 by Yusuf Dalal of Leicester Academy

One new record was set for the first time:

Junior Female Flatbow was set at 90 by Lucianne Faulkner of LAOFAC

Please see below for the final individual and team medalists.

Honourable mentions go out to Lauren Powell of Kirby Muxloe AC, Alice Haskell and Josie Chamberlain of Uni of Leicester AC, Stephanie Farwell of Ivanhoe AC, Graham Broad and Connor Parker of Fosse Company of Archers who all finished in medal positions, but didn't shoot the minimum required 3 rounds to receive a medal.

All medals will either be posted out to club reps or made available for collection once I have them.

Thanks for shooting and please join us again next indoor season.

Dave Whiffin, L&R300 Organiser.

Individual Medals

Juniors

Female Barebow		
Kaci Stanley-Wright - Soar Valley AC	Lucianne Faulkner - LAOFAC	Hidaayah Zaman - Leicester Academy
