# Texas Mothers of Multiples
## 2022 Midterm Report
## Nominating Chair

October 8, 2022

Whew, we survived another Texas summer! Your nominating committee has been busy thinking of ways to improve the volunteer resume form. We want to make sure that the form provides everyone enough information regarding a position you may be interested in volunteering for. Start thinking about how you could apply your skills or experience in helping TMOM continue to grow in the upcoming year. Look for the volunteer resume to be posted on Facebook, TMOM website (members only) and will be shared with State and National Reps in your local club. We are also brainstorming on other user-friendly ways to make sure everyone receives the form. Look for it to be posted by the end of October.

Have a great holiday season!
