

On Top of the World Democratic Club

Thank you for your interest in our Democratic Club. We are a friendly bunch who are dedicated to making our county, state and country more equitable for all residents. We do this by helping Democratic candidates get elected. OTOW Dems participate in campaigns in various ways: voter outreach, sign waving, literature drops, voter registration, etc. We invite speakers to talk to us about issues of the day and watch informative videos at our regular monthly meetings on the second Thursday of each month. We also get together informally at a Happy Hour every month.

For more info, go to: worlddemclub.blogspot.com or call **727-410-7566**

Feel free to attend one of our meetings to check us out. If you wish to become a club member, you must be an OTOW resident and have a current activities card. Annual dues are \$15. You can fill out the information sheet below and turn it in at one of our events. See the calendar on our webpage.

Hope to meet you soon at one of our activities. Dave Beaven, President
