

Chapter 1 - Communities

1. community: a place where people live, work, and play.
2. physical features: different shapes of land and water.
3. natural resources: things in nature that are useful to people.
4. city: largest kind of community.
5. suburb: large, medium-sized, or small community that is near a very large city.
6. town: a small community where most people know each other.
