

# CHICAGO CYTOSKELETON PARKING FALL 2025

## Notes:

- Spothero and other apps are totally fine.
- We are trying to get a second discount code to cover the remaining parking cost but are not sure when that will happen.
- Downloading the Metropolis app in advance will make the experience easier. Sorry for another app.

(not a link)

More detailed instructions [here](#)

## Simple instructions:

1. Download the app. Add your license plate number and credit card.
2. Drive into the parking garage
3. Scan the QR code or click the link below any time BEFORE YOU DRIVE OUT OF THE GARAGE
4. Drive out of the parking garage. You should get charged \$14 for up to 12hrs of parking.
