For: QA Call on January, 5, 2021

Patrizia

Celebrating a great call with someone about dream and Tuscany

His dream is to have a sailboat and sailing around the mediterranean.

This morning he gave me a good morning!!

Fingers crossed!

He from San Francisco but now he lives somewhere in the wild. . . close to a goldmine in California.

Have another call after me and I'm having a very busy pipeline. . . .

One date call per day. . . .

Lisa

My son finished college and behind a few years.

Bipolar and was sick for about 2 years and finally finished
