**** Contract Notes ****

The following suppliers offer discounts from price lists for athletic uniforms, under-gear, and footwear. These contracts now allow for direct award without the need of getting two quotes - however for larger orders it is recommended that you still get at least two quotes for better pricing. Each vendor has agreed to a minimum discount from MSRP but they can provide deeper discounts if they choose (or are motivated to by allowing for competition.) You must reference Contract # when getting a quote. Only those vendors listed below are allowed a direct award. Purchases from \$0-\$10,000 can be on School or District Purchase Order. Purchases over \$10,000 must be on a District Purchase Order.
