

Setting Up OneTab

1. **Install OneTab:** Head to the Chrome Web Store, search "OneTab," click "Add to Chrome."
2. **Activate OneTab:** Click the OneTab icon in your browser. All open tabs turn into a neat list.
3. **Manage Tabs:**
 - Click a tab in the list to reopen it.
 - Reorder tabs by dragging them around.
4. **Share Tabs:** Click "Share as a web page" to get a shareable link for your tab list.
