

# Procedura creare echipa BIMPLUS

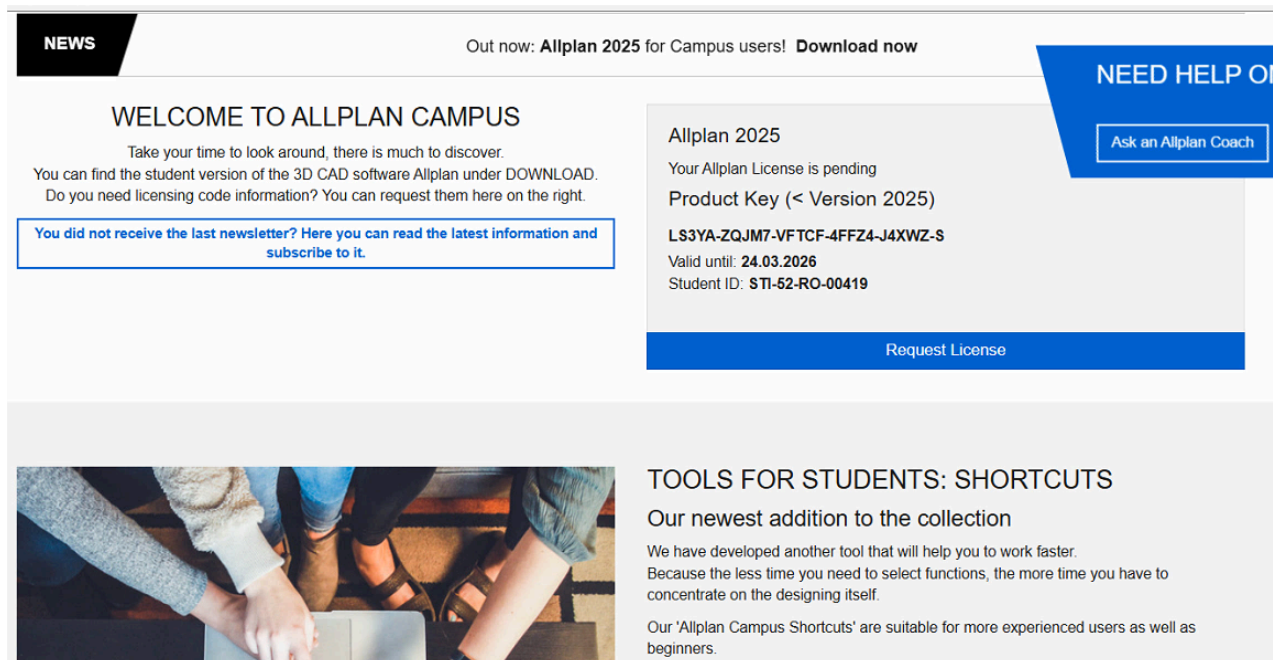

Pentru a putea crea o echipa de BIMPLUS trebuie ca mai înainte să vă creați un cont pe site-ul Allplan Campus.

## I. OBTINEREA UNEI ECHIPE BIMPLUS EDUCATIONAL

- Pentru a depune o cerere pentru obținerea unei echipe de BIMPLUS, necesară în majoritatea tutorialelor prezentate de ALLBIM NET, trebuie să accesați:

<https://campus.allplan.com/index.html>

- Pentru a solicita o echipă personală pentru BIMPLUS, trebuie să derulați pagina și să regăsiți rubrica **Working Together**. Apăsați pe butonul **Teamwork** din cadrul bannerului **Working Together**

**NEWS** Out now: Allplan 2025 for Campus users! **Download now** **NEED HELP ON**

**WELCOME TO ALLPLAN CAMPUS**  
Take your time to look around, there is much to discover.  
You can find the student version of the 3D CAD software Allplan under DOWNLOAD.  
Do you need licensing code information? You can request them here on the right.

You did not receive the last newsletter? [Here you can read the latest information and subscribe to it.](#)

**Allplan 2025**  
Your Allplan License is pending  
**Product Key (< Version 2025)**  
**LS3YA-ZQJM7-VFTCF-4FFZ4-J4XWZ-S**  
Valid until: **24.03.2026**  
Student ID: **STI-52-RO-00419**

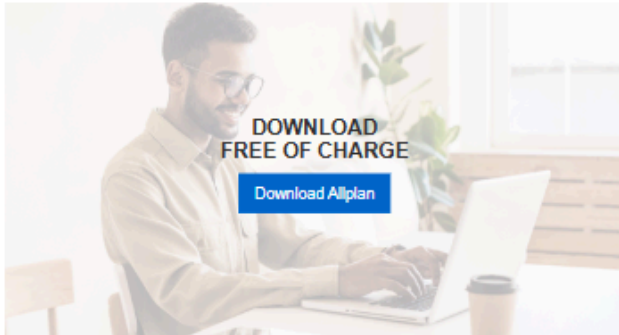

**Request License**

**TOOLS FOR STUDENTS: SHORTCUTS**  
Our newest addition to the collection  
We have developed another tool that will help you to work faster.  
Because the less time you need to select functions, the more time you have to concentrate on the designing itself.  
Our 'Allplan Campus Shortcuts' are suitable for more experienced users as well as beginners.

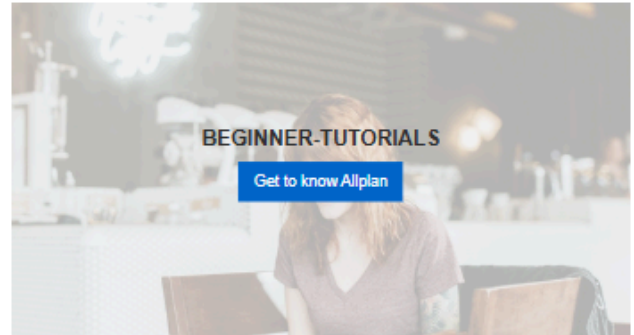

And, of course, you may add shortcuts for any other function as well, making it your ultimate & personalized collection!

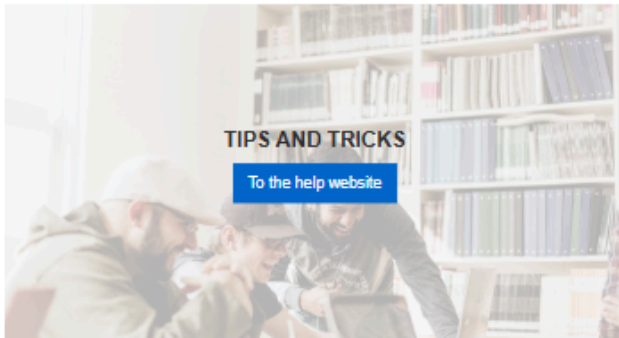

[Visit page](#)

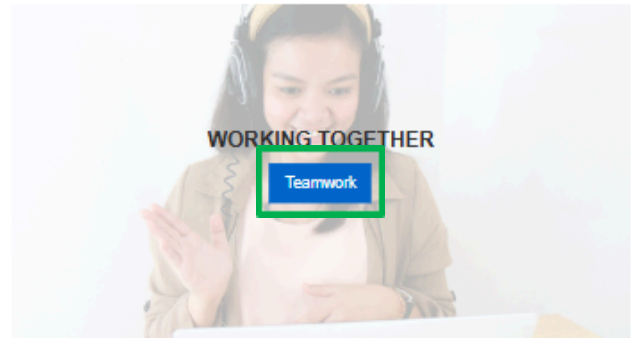

**Download Allplan** Get Allplan Campus to be perfectly positioned when it comes to BIM, CAD and 3D work in your studies. Download and use are free of charge.

**Tutorials to get you started** Find your way around Allplan Campus right away. With our Hello Allplan! project you will get to know all the important functions and try them out directly.

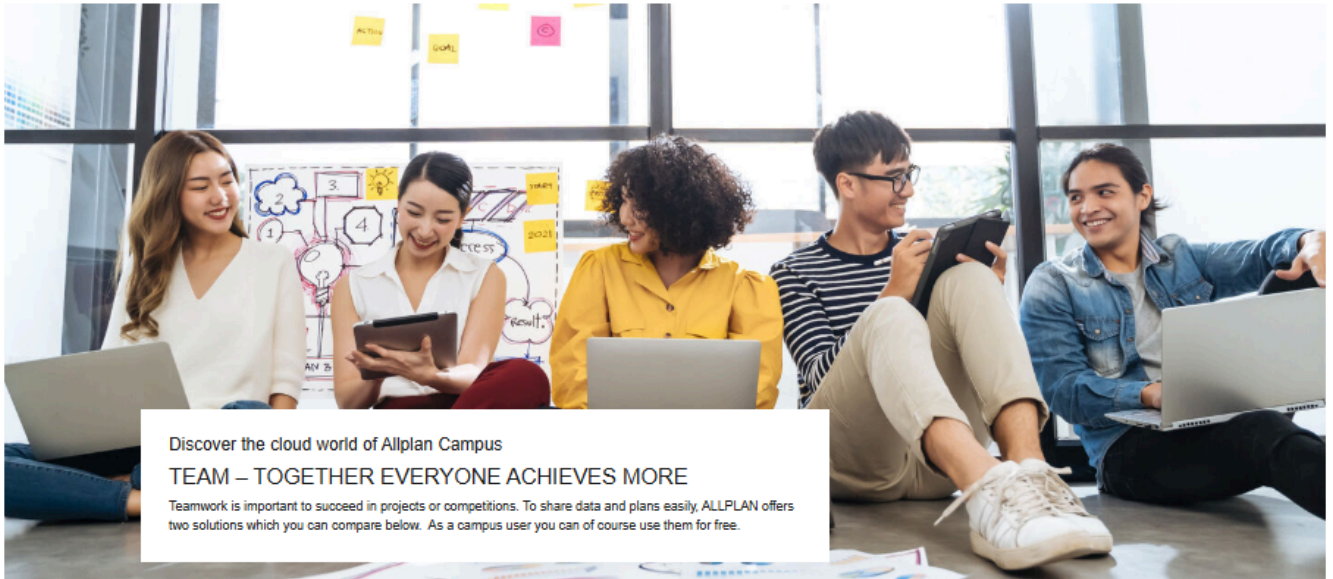

**(First) Help Page!** You have a problem? Check out the Allplan Campus online help for valuable tips and answers to questions about signing up, download and more.

**Collaborative project work!** With Allplan Share or Bimplus, students can work on the same project together free of charge, no matter where they are.

- Se va deschide o pagina nouă, conform cu screenshot-ul de mai jos:

**ALLPLAN SHARE**  
Collaboration redefined in Allplan

**BIMPLUS BY ALLPLAN**  
Cloudwork at the highest level

- Derulați pagina până în partea de jos, acolo unde veți găsi o rubrică specială pentru BIMPLUS. Apăsați pe butonul **Use Bimplus**.

**ALLPLAN SHARE**  
Collaboration redefined in Allplan

**BIMPLUS BY ALLPLAN**  
Cloudwork at the highest level

**Requirements**

Software used: Allplan  
 Internet connection: yes  
 Project in Allplan: yes  
 Bimplus account: yes, for administration  
 File format: Allplan (NDW, Prj)

**Description**

Use Allplan Share to collaborate with your fellow students in the same Allplan project. All you need is an internet connection and an account with Bimplus. This is free of charge and can be created within 2 minutes.

[Use Allplan Share](#)

**Requirements**

Software used: any  
 Internet connection: yes  
 Project in Allplan: not required  
 Bimplus account: mandatory  
 File format: IFC, BCF

**Description**

You have a team and you use different programs? Then Allplan Bimplus is the best solution for your collaboration. Exchange models via Bimplus with your fellow students, mark problems within the models and communicate completely via Bimplus. It's worth it - promised

[Use Bimplus](#)

Se va deschide următoarea pagină unde vă sunt prezentate cerințele de rulare a platformei BIMPLUS.

Pentru a continua cu obținerea unei echipe, trebuie să apăsați pe butonul **Get your team**

**ALLPLAN BIMPLUS**

**New: Centralized, OPEN BIM platform for your building projects.**

Allplan Bimplus provides the BIM tools you need for a successful and cost-efficient building project:  
Combine your models, Visualize them, run 3D Coordination and Design Review processes with your Architects, Engineers, Contractors, BIM Managers and Building Owners.  
In order to use Allplan Bimplus you have to create an Allplan account.

[» Get your team](#)

**Requirements**

- 64-Bit Browser, i.e. Mozilla Firefox
- Fast Internet (minimum 16 Mbit/s)

- Se va deschide următoarea pagină de **ALLPLAN Connect**. Apăsați pe butonul **Accept all** pentru a accepta cookie-urile specifice acestei pagini.

**CONNECT** Ana Rujoiu

**Welcome Ana**  
Here is your personal dashboard showing the status of your ALLPLAN services

**Downloads**

- În partea din stânga a ecranului, apăsați pe butonul **BIMPLUS**

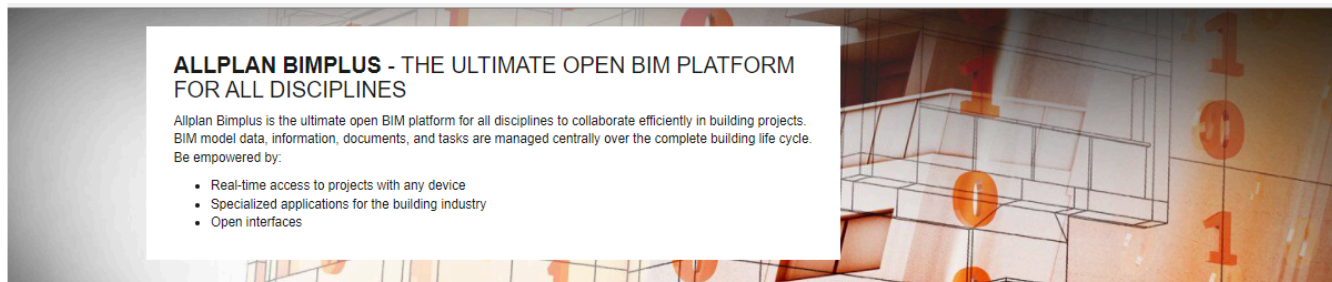

- Se va deschide o pagină nouă la adresa **portal.bimplus.net**. Apăsați pe butonul **Accept all** pentru a accepta cookie-urile specifice acestei pagini.
- În partea din stânga a ecranului, derulați meniul vertical și apăsați pe butonul **Get your team**

- Dacă sunteți logat în pagina de [campus.allplan.com](https://campus.allplan.com), vi se va deschide următoarea fereastră:

- Observăm că pașii **Welcome** și **Registration** au fost săriți, informațiile de acolo fiind completate din formularul de înregistrare pe [campus.allplan.com](https://campus.allplan.com).

### Notă!

Dacă pașii Welcome și Registration încă vă cer date de introdus, vă rog să vă logați în contul personal, folosind aceleași date ca și cele de la cererea de licență. Formularul de logare se găsește în colțul din dreapta-jos al paginii, după cum urmează:

## ALLPLAN BIMPLUS - THE ULTIMATE OPEN BIM PLATFORM FOR ALL DISCIPLINES

Allplan Bimplus is the ultimate open BIM platform for all disciplines to collaborate efficiently in building projects. BIM model data, information, documents, and tasks are managed centrally over the complete building life cycle. Be empowered by:

- Real-time access to projects with any device
- Specialized applications for the building industry
- Open interfaces

### New account

To use Allplan Bimplus free of charge, you need an Allplan account. You do not need to be an Allplan customer to do this.

Please register using the "Register now" button. After entering your data, you will receive an e-mail in which you confirm your registration request by clicking a link. The registration process is now finished and you can start immediately!

[Register now](#)

### Existing account

Proceed with an existing Allplan Account

Username or email

Password

[Login now](#) [Forgot your password?](#)

Odată intrați în cont, formularul va trece direct la pasul 3 – **Create Team**.

- În cadrul pasului **Get your Team**, trebuie să derulați până în partea de jos a paginii, acolo unde veți găsi un formular ce vă va solicita câteva date suplimentare.

## ALLPLAN BIMPLUS - THE ULTIMATE OPEN BIM PLATFORM FOR ALL DISCIPLINES

Allplan Bimplus is the ultimate open BIM platform for all disciplines to collaborate efficiently in building projects. BIM model data, information, documents, and tasks are managed centrally over the complete building life cycle. Be empowered by:

- Real-time access to projects with any device
- Specialized applications for the building industry
- Open interfaces

### The advantages of working with Allplan Bimplus

With Allplan Bimplus you manage building projects more quickly and cost-effectively, and with higher quality. All project team members can simultaneously access the current models and plans and outstanding tasks, regardless of where team members are based. Planning discrepancies can be identified and eliminated before the construction phase begins.

**Open:** Smooth information exchange, fast, easy and system-independent by open standards.

**Transparent:** Discrepancies and planning changes are immediately visible in Allplan Bimplus and can be collaboratively resolved among all those involved in the project.

**Secure:** Allplan Bimplus data protection meets the highest security standards.

**Mobile:** Access Allplan Bimplus anywhere, any time with the mobile device of your choice.

**Common Data:** Allplan Bimplus gives anyone involved in a collaborative planning and construction process the security to always have access to the latest information.

#### Congratulations!

You created your **Bimplus Team** successfully.

#### Team properties:

Name: **Universitatea de Arhitectura si Urbanism "Ion Mincu" Bucuresti - Rujoiu - Ana**  
Slug: **97251b50-2930-4d0c-9247-923998669638** (unique name, which will be used in the url)

Storage: **2048 MB**  
Max. number of projects: **9999**  
Max. number of team members: **5**

Valid until: **25.03.2026**

**Note:** After login in Allplan Bimplus, select your new created team:

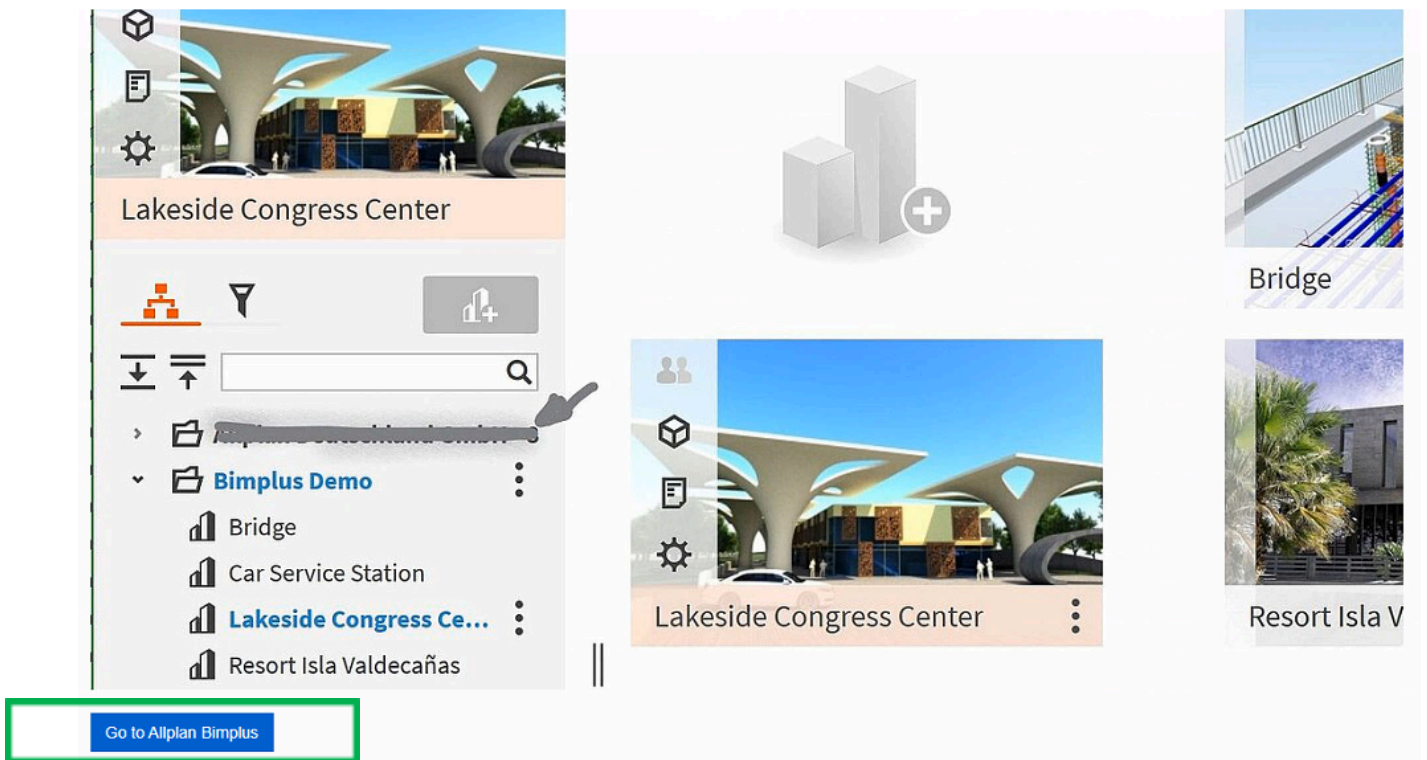

BIMPLUS

Bimplus Demo - Lakeside Congress Center

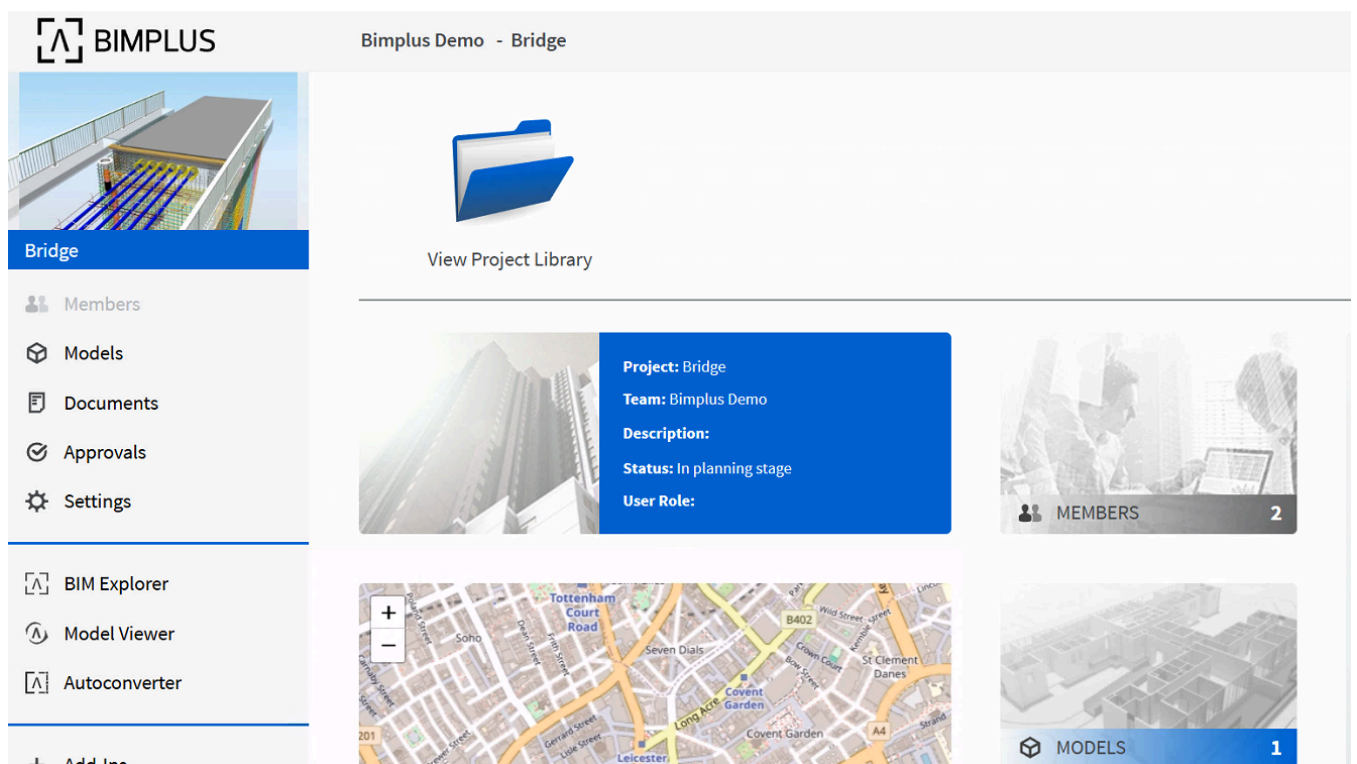

În funcție de licența pe care o folosiți, datele de la Team properties pot varia.

Versiunea **BASIC** a subscripției BIMPLUS, specifică licenței **Educațională de Student** oferă un spațiu de stocare de **2048MB** și posibilitatea de a lucra cu **până la 5 alte persoane** în afară de dumneavoastră.

Pentru a accesa platforma BIMPLUS, trebuie să derulați pagina cu pasul **Completed** și să apăsați pe butonul **Go to ALLPLAN BIMPLUS** sau să deschideți o filă nouă în browserul dumneavoastră și să accesați link-ul: <https://portal.bimplus.net/>

- Pagina principală a platformei BIMPLUS va arăta în felul următor:

- Pentru a testa asignarea cu succes a echipei de BIMPLUS, accesați butonul **View project library**.

**BIMPLUS** Bimplus Demo - Bridge

The screenshot displays the BIMPLUS interface. On the left is a navigation menu with options: Members, Models, Documents, Approvals, Settings, BIM Explorer, Model Viewer, Autoconverter, and Add-Ins. The main area shows a 'View Project Library' button with a folder icon. Below this is a project card for 'Bridge' with details: Team: Bimplus Demo, Description: In planning stage, and User Role. To the right of the card is a 'MEMBERS' section showing 2 members. Below the card is a map of Covent Garden, London, and a 'MODELS' section showing 1 model.

- În partea din stânga a ecranului, în rubrica de **Projects** ar trebui să vedeți 2 echipe - **BIMPLUS Demo** și echipa personală, alcătuită din numele Universității de care aparțineți și din numele vostru. În această echipă personală puteți accesa întreaga funcționalitate a platformei CDE. În **echipa BIMPLUS Demo nu aveți posibilitatea de a crea proiecte sau a le edita pe cele existente!!**

← Dashboard

▼ **Universitatea de Arhitectura si Urbanism "Ion Mincu" Bucuresti - R... (0)**

Search... Sort ▼

The screenshot shows the project list for 'Universitatea de Arhitectura si Urbanism "Ion Mincu" Bucuresti - R...'. The list is currently empty, indicated by a large blue plus sign icon. The left sidebar shows the project list with options: Bridge, Car Service Station, Lakeside Congress Center, Resort Isla Valdecañas, and Senior Residence.

**Vă dorim Succes!**
