Every effort will be made to give students their selected courses, unless they are unavailable or prerequisites aren't met. To change course selections, students must attend summer registration in August, and changes will only be allowed if space is available. All courses are year-long, meaning students will be committed to the same classes for both semesters. **No schedule changes will be made once the school year starts.**

***AP/Honors Request:** By enrolling in an AP/Honors course, both the student and parent/guardian acknowledge that these courses are rigorous and require additional time and effort. Students are expected to remain in the class for the entire year.

0 Period (8:30 am start time) may be an option for some students but not a guarantee. Recommended for student athletes. _____ I would like a zero period class.
