

# Turning Jobs Into a Career

Define the following and provide a real world example of each.

| Term   | Definition | Example |
|--------|------------|---------|
| Job    |            |         |
| Career |            |         |

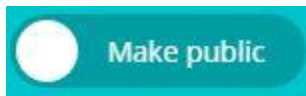

Using <https://www.canva.com/>, create a poster identifying your future career and list at least 3 jobs which could help develop skills needed for that career. You also need to list under each job the specific skills or abilities which would be developed that are transferrable to your career.

Here is an [example](#) showing possible JOBS which could help prepare someone for the CAREER of teacher.

You will need to have an account with Canva. Sign up for one if you don't already have on (use the option to Log-In using your Google account).

Use the instructions below to share and submit your final poster.

1. You must make the poster public by selecting the option in the upper-right hand corner.

2. Then, get the link to your poster by clicking the share button.

3. Submit the link to your poster per your teacher's instructions.
