

Payment Model 5

Example 1

OR

Example 2

The total ETCs incurred at a recruiting site will be paid directly to the intervention site.

Example 1: An intervention site receives 100% of the ETCs incurred for a number of recruiting sites where there is more than one intervention site.

Example 2: Each intervention site receives 100% of the ETCs incurred at each recruitment site where there is more than one intervention site.

Key	
R	Recruitment site
I	Intervention site
PPV	Per Participant Value (found on the SoECAT)
SoECAT	Schedule of Events Cost Attribution Tool
