LOCAL - Celebrity Spotter: Jamie Foxx is still in Chicago

Likely going to rehab. My guess would be Shirley Ryan Ability Lab, but there's a lot of doctors rehab and medical facilities around there.

VIDEO from Mon 7-10-2023 - Jamie returns a bag to a woman in a pedicab, near the Kinzie Hotel.

1944 : President Franklin D. Roosevelt declared that he would accept a nomination to run for president of the United States for the **fourth** time.

<https://www.saturdayeveningpost.com/2019/07/75-years-ago-fdr-announces-his-run-for-a-fourth-term/>

"On February 27, 1951, the states would ratify the 22nd Amendment, thereby enshrining in law that presidents could serve only two terms. The Amendment guaranteed Roosevelt's legacy as the longest serving president in American history."

1955 : President Eisenhower signed a bill requiring use of the inscription 'In God We Trust' on all paper money.

On this day in 1969: David Bowie releases the single "Space Oddity" **9 days before Apollo 11 lands on the moon.**

1979 : Parts of Skylab, the first US space station, after breaking up in the atmosphere showers burning debris over Australia and into the Indian Ocean.

1985 : **The Coca Cola company makes one of worst decisions in marketing history when it decides to change it's original formula and introduces "New Coke"**, this was a resounding flop and the public did not like the taste, after just a short period the old coke product was reintroduced as "Classic Coke."

In 1987: For the first time in history **the world's population exceeds 5 billion** when the UN Secretary General proclaimed the infant Matej Gasper born today as the 5 billionth person on Earth.
