

Scituate Grade 1 Summer Math Calendar

Complete one math challenge each day based on Kindergarten Massachusetts standards

Week 1:

Mon	Tue	Wed	Thu	Fri	Sat	Sun
Count to 10.	What number comes after 5?	Show 4 fingers.	Count 7 shells.	Which is more: 3 or 5?	Draw a circle.	Count backward from 5.

Week 2:

Mon	Tue	Wed	Thu	Fri	Sat	Sun
Write the number 8.	What shape has 3 sides?	Count to 20.	Show 6 fingers.	Find something shorter than your shoe.	What number comes before 9?	Make an AB pattern.

Week 3:

Mon	Tue	Wed	Thu	Fri	Sat	Sun
Count 10 stars.	Draw a square.	Which is fewer: 2 or 6?	Count to 15.	Write the number 12.	Find a rectangle.	Show 9 fingers.

Week 4:

Mon	Tue	Wed	Thu	Fri	Sat	Sun
What comes next? 	Count backward from 10.	Draw a triangle.	Which is taller: book or pencil?	Count 13 objects.	Write the number 15.	Find a circle in nature.

Week 5:

Mon	Tue	Wed	Thu	Fri	Sat	Sun
What number comes after 11?	Show 5 fingers.	Count to 30.	Make an ABC pattern.	Draw a hexagon.	Which is heavier: backpack or feather?	Count 16 fish.

Week 6:

Mon	Tue	Wed	Thu	Fri	Sat	Sun
What number comes before 14?	Write the number 20.	Find something longer than your foot.	Count to 25.	Show 10 fingers.	Draw an oval.	Which group has more: 4 or 8?

Week 7:

Mon	Tue	Wed	Thu	Fri	Sat	Sun
Count backward from 8.	Find a cone-shaped object.	Write the number 18.	Count 12 boats.	What shape has 4 equal sides?	Make a pattern with toys.	What number comes after 17?

Week 8:

Mon	Tue	Wed	Thu	Fri	Sat	Sun
Show 7 fingers.	Count to 50.	Draw a rectangle.	Which is lighter: rock or leaf?	Count 14 crayons.	What number comes before 20?	Count to 100 by ones.

This calendar is for students who have finished kindergarten and will be entering grade 1 in the fall.
