

Audition Sign-Up/Parent Permission Form

The Annual Sycamore Talent Show gives students an opportunity to share their talents before an audience of friends and family. All students are able to participate and need only to “audition” to ensure their performance is well-planned and appropriate for our young audience.

Auditions will be held on Wednesday, January 21 and Thursday, January 22 during school hours. Students should **turn in permission slips by Tuesday, January 20** and be prepared with everything they need to present a “performance ready” act on the days of auditions.

Important Guidelines for talent show acts:

- *Students may appear in only one act: individual or group. Accompaniment may be provided by a family member or Sycamore alumni.
- *Acts are limited to **3 minutes maximum**. Please time your act and include length below.
- *All acts (lyrics, background music, spoken material, movement, dress, etc.) must be “family friendly,” appropriate for all ages.
- *Students planning acts involving especially popular songs may be asked to consider an alternate selection if multiple students present similar acts. Please come to auditions with a backup plan if your intended act centers around an especially popular song.
- *Sycamore will provide a piano, chairs, music stands and microphones. Any other special equipment or needs must be arranged ahead of time or provided by the acts.
- *Barring special circumstances, all performers (and their guests) should plan to show support for fellow students by arriving on time and staying until the end of the show. The full cast will lead the Sycamore Song as the final number. The ending time is an estimate, given the # of acts.

In order to audition, each participant must have a signed parent permission slip. The permission slip verifies that parents are aware of their child’s intent to participate. A parent or responsible adult will need to attend the event with the performer.
