Support Coordination

This information is written in an easy to read way.

We use pictures to explain some ideas.

You can ask for help to read this information.

A family member, friend
or support person may
be able to help you.

How we provide our NDIS supports?

We work with each person, and their support network to assess support needs.

We will work together to achieve your NDIS Plan goals.

We support people with all levels of disability.

We match your needs with the best Support Coordinator for **you**.

We make sure that our Support Coordinators are trained to understand each person's needs and preferences.

About our Supports

We provide **Support Coordination**.

This means our focus is to provide you with **one on one** support to help you achieve your goals in your support plan.

Our Support Coordinators help you find support services for a range of different activities.

Some of these activities can include:

Supporting you with community-based activities.

Supporting you to socialise and with your friends and family.

Can I have my friend or family member help me decide?

Yes – you can choose a person to help you make decisions.

What if I change my mind?

It is **OK** to change your mind.

We will support you with every choice that you make.
