Background And Experience

Please briefly present the partner organization (e.g. its type, scope of work, areas of activity and if applicable, approximate number of paid/unpaid staff, learners)

Social Effect Network is a dynamic Lithuanian association uniting diverse international changemakers committed to transforming the youth and education sector in Lithuania and across Europe. Founded by passionate experts who deeply understand both local and regional youth challenges, we leverage our diverse team's expertise to drive meaningful change.

Our Excellence

As a forward-thinking organization, we specialize in developing non-formal learning principles based educational initiatives that address crucial societal and youth needs located in peripheric and rural areas in Lithuania. Our core competencies include:

- Sustainability and innovation development practices
- Professional growth facilitation
- Non-formal education mobilities and programs for youth
- Community well-being enhancement
- Cross-sectoral collaboration and NGO sector empowerment

Our Mission & Impact

We are dedicated to creating lasting positive change through:

Breaking Barriers We democratize Erasmus+ mobility opportunities, making them accessible to all youth segments, including disadvantaged groups and NEET individuals. Our innovative approach ensures no young person is left behind.

Pioneering Education We develop and implement state-of-the-art non-formal learning tools that catalyze personal and professional growth. Our methodology combines proven practices with innovative approaches to maximize impact.

Elevating Youth Work Through strategic initiatives, we enhance youth work quality via EU funded projects, local stakeholders and involved communities.

Vision 2025 and Beyond

We envision a future where young people emerge as transformative leaders, driving positive change through:

- Pioneering sustainable solutions for tomorrow's challenges
- Embracing innovation as a cornerstone of progress
- Championing diversity as a catalyst for growth
- Building successful enterprises that benefit society

Our Community

Youth (18-30 years) We engage with exceptional young individuals who are:

- Driven by personal growth and professional excellence
- Natural entrepreneurs with innovative mindsets
- Cultural bridge-builders embracing global perspectives
- Active learners and knowledge-sharers
- Change agents in their communities

Each program carefully selects participants based on specialized criteria, ensuring maximum impact and alignment with project objectives.

Partner Network

Our powerful ecosystem comprises forward-thinking organizations across sectors:

- Dynamic NGOs driving social innovation
- Progressive businesses fostering youth development
- Leading educational institutions sharing expertise
- Public sector partners enabling systemic change
- International collaborators expanding our reach

Through strategic partnerships in Lithuania and internationally, we create a multiplier effect that amplifies our impact and enables sustainable change.

What are the activities and experience of the organisation in the areas relevant for this application?

At Social Effect Network, we combine expert-level non-formal education with innovative implementation. Our seasoned team has mastered transformative educational methodologies, creating lasting impact through sustainable practices and expert facilitation.

Our journey is marked by successfully implementing 50 international Erasmus+ KA1 mobility projects since 2019, transforming countless young lives through cross-cultural experiences. These achievements are strengthened by our deep local community engagement, where we've built lasting relationships with key youth sector stakeholders.

As g4Kaunas within the garagErasmus Foundation network, we excel at connecting international talent with professional opportunities, fostering inclusive environments where diverse talents thrive. Our membership in the European Lead by Nature Network (ELNN) links us with 20+ forward-thinking EU NGOs, enabling leadership development and cross-border innovation.

Our local impact tells a story of community transformation through strategic educational initiatives. We've created a robust ecosystem supporting youth development and cross-cultural understanding. This unique blend of international reach and local presence allows us to design programs that are both innovative and practically relevant.

This combination of experience, expertise, and connections positions Social Effect as a catalyst for positive change. We continue evolving, driven by our commitment to creating sustainable impact in youth development, professional growth, and cross-cultural integration across Europe.

What are the skills and expertise of key staff/persons involved in this application?

Social Effect is powered by a dynamic team of professionals whose diverse expertise creates a powerful foundation for transformative youth programs.

Linās Staršelskis brings profound educational expertise as our founder and lead facilitator. His unique combination of academic excellence as a lecturer at the University Of Applied Sciences and Vilnius University, together with his certification as an NLP Master Practitioner and coach, enables him to create groundbreaking training programs. His innovative approaches to creativity, entrepreneurship, and inclusion have become benchmarks in non-formal education.

Austėja Vaičiulevičiūtė drives our strategic initiatives through her expertise in EU project design and educational research. Currently pursuing her master's in communication, she masterfully orchestrates our strategic partnership projects (KA2), ensuring they deliver meaningful impact while advancing educational innovation.

Dmytro Mamaiev enriches our organization with certified expertise in international cooperation and human rights protection. His valuable experience in diplomatic service and parliamentary procedures elevates our KA2 projects and training programs to new heights. Under his supervision, our intellectual outputs consistently meet the highest standards of international collaboration.

Liza Molchan orchestrates our public presence with expert precision. Her sophisticated understanding of campaign development and marketing strategy ensures our message resonates powerfully across all platforms. Beyond managing our public image, she successfully leads KA1 youth projects, bringing fresh perspectives to youth engagement.
