

Tri-Smart Summer Jobs and SCIP Internships

Tri-Smart Summer Jobs are for Youth and Young Adults 15-30 in the Tri-Municipal region of Spruce Grove, Stony Plain and Parkland County.

Our summer jobs allow you to Maximize Your Employability through Career and Personal Development. You will also learn to use google apps, and other technologies, to work on our digital collections.

In developing digital collections you will work with community organizations, team members and volunteers to contribute to our community based networks, which connect organizations and individuals in their community and across Canada with each other and resources. The following are some of the collections we plan to work on in 2019:

- i. Everyone will work on our **Career or Personal Development** collections
- ii. **Community Directories** (Recreation, Community Services)
- iii. **NonProfit and Small Business Directories and collections**
- iv. **Digital Media and Computer Programing Collections**
- i. [Global Soul Wellness Collection](#)
- v. **Health and Wellness, (Biochemistry, Mental health, etc.)**
- vi. **Vulnerable and disadvantaged Collections.** Including youth, seniors, newcomers to Canada, indigenous people, visible minorities and people with disabilities.
- vii. **Education Collections** (Preschool - Grade 12)
- viii. **Heritage Collections**
- ix. Other Collections (Propose a collection see Opportunities @ FACTSnet.org)

[Digital Collections Developer](#) Internship

Click on link above to apply for the Tri-Smart SCiP internship which usually the first step to a [Summer Job](#).. Once you apply for an internship, we will have an interview (usually by phone) to determine further steps to a great summer. Apply now as internships are limited.

If you do not qualify for a SCiP Internship, you can apply for a summer job by sending your resume to factsuma@gmail.com

You can also get in touch with us by emailing factsuma@gmail.com.
