

The Chariton School District has some exciting news:

Next year's student registration will be ONLINE!

Online Registration (OLR) will be available through our student information system, **Infinite Campus**. In order for you to register your student(s) you'll have to login to the Infinite Campus Parent Portal.

Our goal right now is to start making sure that all parents/guardians have an active Infinite Campus Parent Portal account. You can log in on the district website: <http://www.charitonschools.org> or by using this URL:

<https://iacloud2.infinitecampus.org/campus/portal/chariton.jsp>

If you don't know if you have an account, or if you don't remember your username and/or password, please call 641-774-5967 and select one of the building options, or you can email or send a message through Parent Square to your building secretary for assistance.
