 - Public open call for GR11 contributors on Tuesday 8/10
- **Public Goods Funding** 🇵🇷
 - [Mini Grants Community Events](#) @ Sirlupnwatson
- **Public goods prototyping** 🔬 (AKA MOONSHOT)
 - Updates on <https://moonshotcollective.space/>
 - (200+ sign ups, 75 on the call, upcoming budget prop)

- Budget prop:
<https://gov.gitcoin.co/t/prototyping-workstream-moonshot-budget-request/8074>
 - [Moonshot Collective thread](#)
 - [Updates summarised](#)
- **Decentralizing Gitcoin** 🙌
 - Blog post went out on dGrants
 - dGrants architecture proposals shared for feedback
 - UI/UX moving from 100% design to implementation (design continues)
 - Received first community contribution to codebase!
 - Workstream budget proposal being posted soon
- **Experiments** (Community Development Stream)
 - [Chinese ecosystem update](#)
 - Translations update
 - Chinese translation version 1 with 48 articles (knowledge base) is done
 - In review in next few weeks, recruiting review members now
 - After this will work on left articles in knowledge base, and api
 - Strongly suggest to move contents to Crowdin (the same translation tool Ethereum.org chosen)
 - Any process for a quest? Especially for Chinese quests.
 - [Workstream proposal Gitcoin Grantee Content Creation + Storytelling](#)
 @thealexyao
 - For consideration by stewards - looking for any comments, feedback, refinements.
- **MMM - Merch, Memes, Marketing**
 - Intro/ Updates

Topics of Discussion (30 minutes)

1. Proposal: \$GTC-Backed Economy @yalor
 - a. <https://gov.gitcoin.co/t/proposal-gtc-backed-economy/8033>
