Called in: Caryn

Excused: Brecke Ure

Monster Math:

3rd grade canceled. Students are still getting enrichment through Imagine Math. Teachers are still given the tools needed, students just aren't getting pulled out of the classroom.

Land Trust Plan(Kristie):

Since the school has started Lexia and Walk to Read, there's been significant growth.

(See attachments for goals, measurements, and action plan steps)

STEAM program: are the teachers well trained? Additional training is available if needed.

Elementary TSSA Plan Summary 2022-2023

(See attachment)

Mrs. Frost is the instructional coach for Eastlake.

TSSA pays for the DLI aides for the school (every DLI teacher has their own aid).

Fun Run:

Contact the school officer and ask about the crossing guard.
If he can't, contact the city for a city-paid crossing guard.

Website is done.

Race price point:

\$30 for first child

\$25 for second

\$20 for third

Etc.

Purpose of the run (how the funds will be used): overall improvement/integration of technology in the classroom.

Green screens, Chrome books, Ipads. Etc

Registration linked through JEF.

Kick off. Have the student council announce in the mornings.

Registration opening March 14th and closing March 31st.

March 15th: Going around to individual classrooms to promote.

March 16-17: Have a booth set up at parent teacher conferences.

Week of March 21st: Amanda standing outside during drop off wearing the dragon costume.

Screen time in the classroom:

Lexia and Imagine Math need to be used for actual instruction. They can't be used during a Walk to Read time. They can be used as a finisher.

Measure Lexia by units completed, not minutes used.

Try to decrease the idol screen time.

No screens at recess.

Lexia and Imagine Math shouldn't be used at recess.

Choice Day. Students can stay in and watch a movie (or chat with friends) or go outside.

Other options: exercise videos inside (Just Dance, yoga), art supplies, etc.

Put together inside recess kits for teachers. Games, brain breaks, etc.

DLI program:

AP test: how many students passed the test this year?

6th graders are struggling. May not continue with the Chinese program.

The Chinese curriculum is created by the teachers.

Chinese teachers working well together.

Options:

State representative working on teacher training.

Contact parents regarding students with behavior issues to limit distractions.

Positive reinforcement.

Reach out to high school Chinese teacher regarding peer tutoring.
