(GENERAL INFO)

By purchasing any of my services, you're automatically accepting my Terms of Service and being obligated to follow them. As well as promising you won't request any PayPal chargeback.

💖 Streaming and Promotion

I reserve the right to livestream the creation process on Twitch and share previews on my social media, unless we have agreed otherwise beforehand. (If you prefer a private commission, I can do so at no additional charge, but please note that delivery times may be significantly extended.)

💖 Portfolio

I retain the right to showcase the commission in my portfolio or use it as an example of my work. (Again, if you prefer a private commission, I can do so at no additional charge)

💖 As an artist, my art is constantly evolving

So there might be slight differences between the samples in my gallery and the illustration you will receive (style, coloring method, composition...). They are ***usually*** very slight changes, but please keep that in mind.

💖 Commercial use is allowed at no additional charge.

However, you are required to give me credit in any online publication of the products.

(PROCESS)

💖 Payments

PayPal in USD or Peso Colombiano through Nequi or Bancolombia.

💖 I expect payment to be received in the next two (2) days after I sent you the invoice.

If you won't be able to pay at that time, please let me know first, so we can discuss any other agreements.

💖 Work Start

Work will only begin once I have received the full payment. (If I have other commissions pending, I will notify you before requesting payment.)

💖 Initial Sketch Revisions

Once payment is received, you'll get an initial sketch. Major changes and corrections can be made during this stage. You are entitled to 3 rounds of changes included in the commission price. Any mistakes on my part will not incur extra fees.

💖 Extra Revision Fees

If additional changes are required after the final version is completed, extra fees may apply, unless the revisions are due to a misunderstanding on my end.

💖 Completion

Once completed, the commissioner will be able to download the files via Google Drive. Files may be deleted 30 days after completion.

(WORK SPEED)

💖 **The time needed to finish a commission varies based on complexity and type**, ranging from a week to months. You may ask for progress updates at any time, but please understand that rushing is not permitted. If the commission takes longer than initially expected, you will be notified ahead of time.

💖 Deadlines and Fees

Deadlines must be discussed and mutually agreed upon before payment is made. Be aware that urgent deadlines may involve extra fees depending on how close they are, and these will be discussed in advance. (I am currently a university student, so I might not be able to take on deadlines shorter than a month and a half unless I am on vacations. Feel free to ask.)

(REFUNDS)

💖 **I don't offer refunds.** Please make sure you want the commission and consider the deadline before requesting it.

💖 **If you file a chargeback** against me on PayPal, note that you will be blocked, and you won't be able to purchase anything from me anymore. Your username and details about the case will be publicly posted for others to watch out for.
