

How to Register for First Coast Pickle Pickleball Team Flex Leagues

Thank you for being a part of the First Coast Pickle family! There's one last step to take before the league begins, and that is to register on our league management hub, Pickleballscores.com.

Pickleballscores.com is where teams will be able to:

- Schedule matches with opposing teams
- Input scores
- Keep track of records
- Pay league fees

Every player on a First Coast Pickle team is required to be registered within Pickleballscores.com to be eligible to play First Coast Pickle matches. **If you signed up as the captain of a team or group, please send this document to every player on your team/group.**
