

1. Open **Google Chrome**, and look for your **user icon** in the top right.

2. Select **Turn On Sync**.

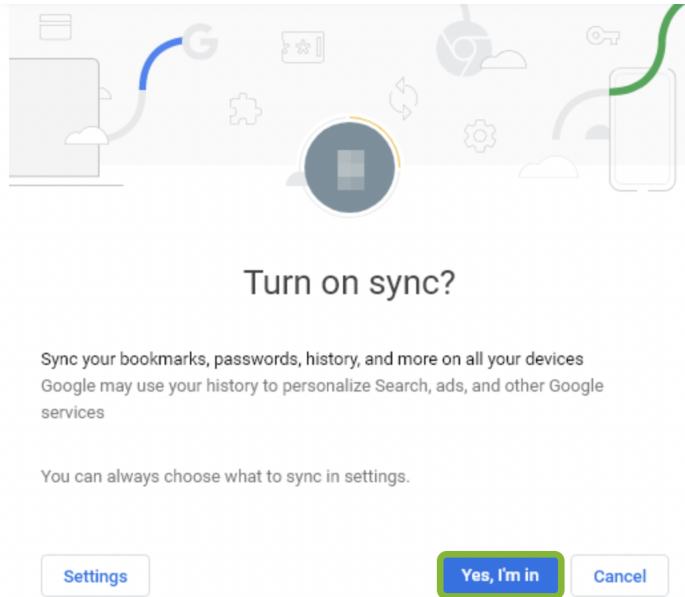

3. Enter your Google email address, then select **Next**.

4. Enter your Google Password, then select **Next**.

5. You will be asked to Link Data. Click Link Data
6. You'll be asked if you also wish to Sync your bookmarks, search history, and other information across devices. Select **Yes, I'm in.**

7. You can now access your student bookmarks and other Google Workspace apps.
