

## Enrollment and Graduation Plans 2025 - 2026

Student Name \_\_\_\_\_ SID \_\_\_\_\_

Your FAFSA results for the 2025-2026 academic year have been received by the Financial Aid Office and our records currently indicate that you **may** graduate within the academic year. Before we can continue to process your application, we need to know your enrollment and graduation plans. This form is different than the "Undergraduate Application to Graduate" you may have completed for the Registrar's Office.

If you need help completing this form, please contact an academic advisor in the Academic Success Center.

Directions: Report the number of credit hours you will be enrolled in each term (**do not put an X**). Only report classes you will take at Kettering (do not report classes "taken out" and transferred in). For graduation date, report the date when you will complete your degree requirements, not walk in commencement.

The information you provide will be used to determine your eligibility for financial aid. If your enrollment and/or graduation plans change, please let your financial aid officer know so that your file can be reviewed and, if necessary, revised. If your graduation plans change, you should also contact the Registrar's Office so your record can be updated.
