

THE PILGRIMAGE SAGA AUDITION INFORMATION - SEASON 3

Dialogue:

If you're listening to this, then I'm sorry. There probably isn't a lot of time. You've already left your ship to come here, so it might already be too late.

I tried to warn them. I don't think my message ever got through. I told them never to come back here. That this mission was a mistake.

Maybe you'll listen. Maybe there's still time. For you, at least. There's no time left for me.

Dialogue:

Hello, crew of the R.I.N. Starstrider. I'm Raz Wellesley, lead engineer. I haven't actually met any of you yet, although I'm due to greet you onto the ship tomorrow for the launch. It's tradition, apparently, although it's easily something one of my assistants could do, I suppose.

Name: Annie Hart

Age: Fifties

Gender: Female

Nationality/Accent: Preferably British (any), but will accept other accents.

About: Annie is a member of the resistance and an old friend of Edgar's. She is sensible and practical, but has a whip-sharp tongue when she wants to use it.

Hey there, Edgar. You're looking old.

No, I'm just a fantastic impersonation. Of course it's me, you fool. Now close your mouth, you'll catch flies.
