

Name:

Body Paragraph Reflection

Directions:

1. Choose a body paragraph you would like me to look over & copy and paste it here.

2. Highlight your assertion in red, your evidence in blue, and your commentary in yellow.

a. What do you notice about your ratio of evidence to commentary? You should have twice as much commentary as evidence. (1:2 ratio) Is this something you need to fix?

b. Does your assertion mention American society? It should, since it is the main argument of your paper.

3. What do you think is good in your body paragraph?

4. What do you think you need to fix about this body paragraph?

5. Will you need to break this body paragraph up into smaller body paragraphs? Where might you put your breaks if you need to?
