

Addition with 10 Matching Game

Set A

There are 10 four-card sets of addition facts. A matching set includes four cards:

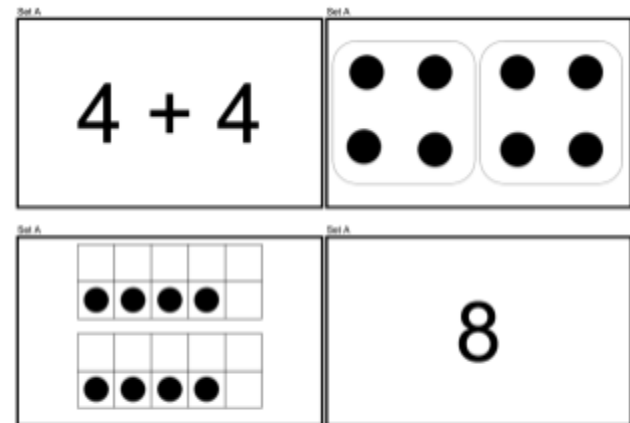

- an addition expression
- dice
- ten frames
- a number within 10

Preparation:

- Print the 10 sets on card stock and consider laminating them
- Cut into individual cards (there will be 40 of them)

Directions:

- Tell students to lay out the cards facing up
- Work with a partner to find the 10 matching sets

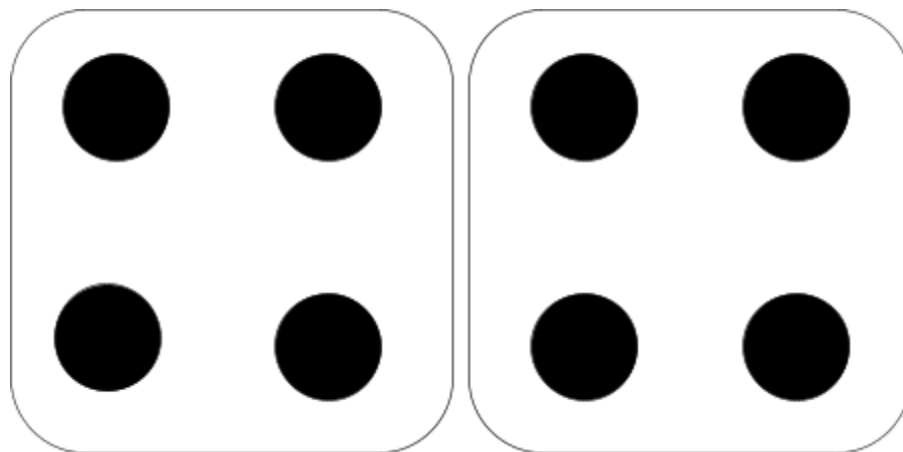

This is a matching set of four cards.
