

Hello neighbor, while many people experience cut hours, school closures and health concerns you may find yourself needing some extra help in the wake of COVID-19. At this time I would love to extend the following service(s) for free

☐ childcare for those who cannot afford it due to cut hours / school closures

☐ legal aid

☐ courier services for groceries / medications for those struggling with safety and access issues

☐ other :

☐ meal prep

☐ assistance in applying to SNAP / unemployment

☐ transportation
