# 3.Tira broadcast management rules

• Host Specification

◦ Requirements for host profile picture: do not show private parts, do not show large areas of
sensitive parts, make sure that the upper body or the entire body appears in the photo, and
make sure it's your most friendly and beautiful picture. The following are examples of errors:

Showing private parts   Unfriendly   No face shown   Not clear

◦ Nickname requirements for hosts: rude and disgusting words/images are not allowed
◦ Host work requirements: complete your tasks with honesty and seriousness; During
matching or paid calls, it is forbidden to hide the face from the camera, to point the camera at the
ceiling, etc.

💕Tips for Hosts to improve revenue
1. Use beautiful, real and clear profile pictures; choose a clean and tidy background for your
calls
2. Match with many users on the matching page, take the initiative to greet them. When talking
to users from different countries, you can type in the chat and translate in the app. Guide users
to add you as a friend, and you can be found from the private chat page.
3. Greeting reference:
Hi dear, nice to meet you.
Where are you from?
My name is xxx. Please add me as your friend. You can find me in your chat page.
Please call me on the chat page.

• Agency requirements

◦ It is necessary to supervise the work of the hosts and prohibit cheating. Actively
communicate with them and rectify when the hosts violate regulations.

⚠️Punishment rules：

If any of the rules mentioned above is found to be broken by platform inspection, the host's ID will be
cancelled immediately, and salary settlement will not be allowed in the current week.

New Function
