

Open House

Title 1 parents are provided notice to meet with the Title 1 staff during their schools' fall Open House to discuss Title 1 services, ways to be involved and receive annual meeting notices.

PTOs

During PTO meetings staff often present information and strategies that parents can use to help their child at home. Watch your monthly newsletters for topics and dates.

Title 1 Family Pizza Night

Title 1 Family Pizza Night is an opportunity to meet with Title 1 staff and join a variety of learning activities and games that your children do in the Title classroom. These activities help you work with your children and foster parent involvement.

Parent Meeting

Each school will convene an annual meeting to which all families/guardians of children eligible for Title 1 services are invited to attend. The meeting will inform them about the Title 1 participation, the Title 1 policy, and involve them in the planning, review, & improvement of the Title 1 program.

Monthly Newsletters

Principals send monthly newsletters to inform parents of upcoming student/parent activities, and present/past successes. At all grade levels teachers suggest tips and learning strategies useful at home.

AOS 93 Website

An AOS 93 Title 1 website provides information for Title 1 parents and the larger community. Helpful resources are linked there.

Parent Involvement

Communication

Throughout the year parents of Title 1 students are informed of and invited to activities that give you a better understanding of what is expected of your children and the type of instruction your children are receiving.

Parents are given tools to work with your children in the areas of reading and math. Activities that occur to meet the schools' Title 1 parent involvement requirements are:

- Open Houses
- Presentations at Parent/Teacher Organizations
- Title 1 Family Pizza Night
- School newsletters
- AOS 93 Title 1 website

Title 1 Policy Statement

All AOS 93 schools, in accordance with Board policy, encourage parental involvement in all school activities and programs to promote successful school experiences for both parents and students.

School Compact

The Title 1 School-Parent Compact is discussed with parents during the fall Parent/Teacher conferences. As part of our compact, parents are asked to provide home/school connections to ensure their child's success. Through the Title 1 program, parents are invited annually to review and revise our School-Parent Compact.

We welcome parent participation, feedback and involvement.

Feedback

At the end of the year a survey is distributed to parents for feedback on Title 1 program services that have been provided to you and your child. This helps us to review and improve the Title 1 program.

Feel free to contact the Title 1 staff at any time by calling your school's office.
