

Ramadan Tent Setup at the VIP Drop-Off Area and Temporary Traffic Diversion Plan
(March 2, 2024, through April 13, 2024)

This year, we will set up a Ramadan Tent at the VIP drop-off area for the entire month of Ramadan to cater for the various iftar events. To support community iftars, we have developed a traffic diversion plan for drop-off and pickup, effective from **March 2 (starting 5:00 a.m.) through April 13, 2024**. Attached is a copy of the traffic diversion [plan](#) showing the temporary drop-off location for your reference and guidance.

Please note that the below during the above-stated dates when the diversion plan is in place:

- The temporary drop-off point will be outside classroom 0A03, as marked in the attached plan.
- All drop-offs & pickups shall be made at the marked area on the map, located outside classroom 0A03 (QNL side) between March 2 and April 13, 2024.
- The access for staff and faculty to the basement parking will not be affected.
- The access for GU-Q students to the basement parking from 4:30 p.m. until 5:00 a.m., the following morning will not be affected.
- VIP parking spaces shall only be available through prior reservation as normal, please use this [link to reserve visitor parking](#).
- No waiting or parking is permitted at the temporary drop-off/pickup due to space congestion. Please follow the on-site security guard's instructions to ensure smooth traffic flow.

We understand that this temporary diversion may cause some inconvenience, and we appreciate your cooperation and patience during this time. The inaugural iftar tent is part of our ongoing enrichment effort to enhance the GU-Q community experience during the month of Ramadan.
