AUCTION RULES

1. **YOU MUST BE PRESENT TO WIN!** So, if you are going to bid, please check in at the assigned times when each section closes.
2. Each item is numbered and has a bid card with a corresponding number.
3. To bid on an item, ADULTS legibly print your name and bid amount on the first available blank line of the corresponding bid card. Once entered, a bid may not be removed.
4. Your name must be legible. If the spotters are unable to read your name, the next highest bid will be declared the winner.
5. **Please observe and abide by minimum bid amounts.**
6. A minimum bid raise is indicated on each individual bid card. The bid must exceed the previous bid by at least that amount to be valid.
7. The Silent Auction tables close at various times throughout the evening. An announcement will be made five minutes prior to the closing of each table and again at closing. Table closing times are posted at the tables and located in this book along with the number categories.
8. The bid cards MAY NOT be removed from the tables.
9. When a section closes, all bidders must immediately discontinue bidding. Bid sheets will be collected as quickly as possible. The official original copy of the bid sheet will be taken to the cashier. A copy will remain on the table for your reference. Please check the table for winning bids.
10. *The auction Official shall determine* the winning bid for each item. In the event of a dispute, the Auction Official shall act as the final authority and shall determine the winning bid in the school office on Monday morning. The Official's decision will be final.
11. All winning bids will be charged to the bidder's account for payment as soon as that table closes.

12. Winners promptly identify yourself to ensure win! Payment may be made in cash, check or credit card. Make checks payable to LCE PTO. Payment in full this evening is mandatory.
13. After making payment to the Cashier, items may be claimed with a receipt marked paid. If you need help moving your purchase, please ask for assistance.
14. All items are sold "as-is", and all sales are final and may not be exchanged, refunded, or transferred unless specified. Lake Carolina Elementary makes no warranties or representations of any kind, nor assumes any liability, with respect to any items or services offered in the auction.
15. Every effort has been made to correctly and accurately portray estimated retail dollar values, expiration dates, etc., in the catalog. However, in the event that the catalog differs from the certificate, the certificate will prevail.
16. Dates for trips and/or rentals are to be mutually agreed upon with the contributor. Some items may have restrictions regarding availability. Please check restrictions carefully.
17. The Auction Cashier will be open immediately following the close of each table and will remain open until the end of the entire auction.
18. In determining the tax deductibility of items purchased at the auction, venue Ruling #67-246 issued August 4, 1988, reminds buyers that no tax deduction is allowable except the fair market value at retail of the item or service received. LCE reprints this information here to exercise its responsibility to inform supporters fully of applicable tax law.
19. At the Buy It Now table, gift cards are sold for face value on a first-come, first-served basis. Buyers may pay by cash or check with the PTO representative at the table or by credit/debit card at the cashier.
