

Dear Families,

It is that time of year again when we plan our bus routes and configure transportation for the school year. We want to thank you for your continued patronage and support.

Our company has worked hard to keep rates low; however, we need to increase rates slightly due to the rising cost of everything. The rates for this school year will be as follows:

- **Registration Fee 25-26** : \$30
- **One Way**: (Ride more than 10 days a month) \$215 monthly, 7-11 miles \$225 monthly
- **Round Trip**: \$390 monthly, 7-11 miles \$405 monthly
- **Part-time** (Ride 10 days or less a month): \$150 monthly, 7-11 miles \$160 monthly

If you plan on using our services this school year, please ensure you pay your registration fee to secure your child's spot on the route. If you no longer require our service, kindly message us on the app or email us at apexnymt@gmail.com. If we do not receive a payment, we will assume you will not be using our service this year.

Thank you for your understanding and cooperation.

Best regards,

Jhon Golodrino

Bell CREEK Morning Transportation FAQ

Morning Transportation - Is picked up by stops. Bell Creek info;

Parents, we are going to pilot the morning transportation for BELL CREEK ACADEMY (Valrico Academy 3-5 can also try it out). This means we are going to open the morning transportation passes sold weekly for the first month of August. We will have to gain a minimum of 8 monthly riders by the end of the month to continue the service into September. There is a discount for round trip passengers. Morning transportation is not door to door. You must have your child at a bus stop. If you have a group of 3 children interested in a similar new stop, please email apexnymt@gmail.com and we will consider adding it to our route.

The current morning stops and pick up times are as follows:

The morning pickup locations for Brandon are:

1.. 6:55 Providence West Park 5417 Providence Rd in front of Rec center

The morning pick up locations for south Riverview are:

2. 7:15 Avelar Creek /Caraway Spice DR

3. 7:25 The Publix Plaza on the corner of Big Bend and Highway 301 The meeting place is on the north end of the sidewalk by the dentist office.

4. 07:35 Panther Trace Clubhouse closest to hwy 301 This is the Club house at Bramfield Drive.

5. 7:45 Ramble Creek Clubhouse on the corner of Symmes Rd and Ramble Creek

Stops and pick up times (Students are expected to arrive 5 minutes prior to stop pick up time) If they are not there at the pickup time, we suggest that the parent meets at the next pick up stop. Parents may request a text from the driver to confirm the student has been picked up.

- Morning transportation may not be the best fit for Valrico Academy students. If student is in grades k-2, we are unable to get them to the school prior to their start time.
- Times may be adjusted if there are no Valrico Academy riders, or as we see the flow of traffic for the school year.

Transportation:

Monthly tuition: Please let us know if you need us to change your billing to weekly. We can do that; however, there is a \$2.00 additional fee for weekly billing, and you must still be enrolled in a monthly plan, or your rate will increase.

- Monthly fees are charged based on the distance from the school. However, living within 11 miles of the school does not guarantee that you are in our service area.
- **One Way:** \$215 monthly, 8-11 miles \$225 monthly
- **Round Trip:** \$390 monthly, 8-11 miles \$405 monthly
- **Part-time** (Ride 10 days or less a month): \$150 monthly, 8-11 miles \$160 monthly

Late Fees: If your tuition is not paid before the first of the month, your account will incur a \$15 late fee. If your account is not paid by the 5th of the month, your child will not be able to ride until your account is paid.

Processing fees: Another way our accountant determined to keep transportation fares low is to request that all parents use ACH payments from their checking accounts. If you do not change over to ACH payment, your credit or debit card payments will now be subject to a processing fee.

Assistance: Children in grades K-8 may be eligible for a \$750 transportation scholarship. Please visit Transportation—[Step Up For Students](#) for more information.
