

League Ladder Rules

1. The League Director will be in charge of creating weekly matchups and assigning partners. Your assignments will be sent to you via email on Sundays between 12 and 4 p.m.
2. Format: Best two out of three games. Games should be played to 15 points (scoring on service only). The winner need only win the game by 1 point. If after two games a tiebreaker is needed, the 3rd game is played to 11 points.
3. Matches must be played between Monday and Saturday of any given week. Time slots will be provided on Monday and Wednesday nights between 5:30 and 8:00, or Saturday from 11:00 to 3:00. **The match must be played by Saturday at 5:00 p.m. of that week. If a player cannot set up a match within that time, he/she forfeits the match.** Both players should make every effort to schedule the match, keeping in mind that everyone has a busy schedule.
4. The scheduled match should be played even if there is a movement within the ladder between the time the match was scheduled and the time it is played.
5. Players will not be required to play more than one match per week. It is mandatory to play a minimum of one match per week. Failure to do so will yield a loss of one place in the ranking.
6. If the lower-ranked player beats the higher-ranked player, then the lower-ranked player gets to play up the next week on the ladder. The loser of the match will then have to play down the ladder the following week.
7. The winner of the match will be required to submit the scores to the league director.
8. Players will self-referee. Unsportsmanlike conduct will not be tolerated. We want everyone to have fun.
