

BERKELEY TOWNSHIP SCHOOL DISTRICT

Attention all parents and guardians:

Student safety is always our number one priority. Just some important reminders when you see our Berkeley Township School District busses traveling throughout town:

Motorists should drive with extra caution around children going to/from school:

- Obey signs, signals, and crossing guards in school zones.
- Slow down especially with children walking/biking to school and around bus stops and in school zones and in low light or bad weather.
- Learn and obey the school bus laws in your State.
- Drive focused and alert at all times. Avoid use of electronic devices and other distracting behaviors while driving.
- Ensure everyone in the vehicle is buckled up properly and that children are in the back seat in the proper seat.
- Drop off so the child does not have to cross the street, and then avoid U-turns.
- Look for and expect to see pedestrians and bicyclists, especially before and after school.

School bus riders are safest when children:

- Stay three giant steps (six feet) away from the curb when waiting for the bus; and when the school bus arrives, wait until the driver says to board.
- Quickly board the school bus, find a seat, sit facing the front, and do what the school bus driver and safety patrols say to do.
- Getting off the bus, cross in front at least five giant steps (10 feet) away and look left-right-left for traffic. Wait for the driver to signal it is safe to cross

If you have a concern about the bus or an issue with students on the bus, please contact your school's administration.
