Subject: HATE list building (...but want a list)?

Subject: ha ha ha... throw parties + make money

This is so dang easy!

- * You don't need experience or education.
- * You don't need a product or "service"
- * You don't need inventory upfront
- * You don't need to use the phone
- * You don't need need affiliates
- * You don't need employees
- * You don't need to blog
- * You don't need chatbots

(Of course these things HELP but you don't need them to automatically collect the cash!)

...and there's no limit to how many email subscribers you can add to your list.

See for yourself.
