

## Pay it Forward

Give365days.com is on a mission to spread the word of giving.

In this envelope is money. We are hoping that this money will make its way to the person that really does need it. You have a choice in front of you. You may be the person in need, but ask yourself. Could someone else use this money more than you do? We hope that you choose to pay it forward by contributing to the envelope and giving it to another person.. This can be someone you know or a complete stranger. It is up to you how or if you wish to pay it forward.

Please visit us at [www.give365days.com](http://www.give365days.com) and leave a comment on what you decided to do. We would love to hear the journey of this envelope.

Please keep a sticker, but leave the letter in the envelope when you pay it forward.

-Thank you

Give 365 Days.
