

Social Studies Bulletin Board

Update: 4/27/20

Please finish part 2 of unit 4 Immigration located at the bottom of the lesson by clicking this link:

<https://docs.google.com/document/d/15dkpTpvhbWCTOUhXcmujcXxn0aAXL3gyaiPWRvgDyJg/edit?usp=sharing>

Update: 4/25/20

Important Notice- Students, grades are now posted for the 5th 6-week. Please check with the school to see your grade. If you see your grade and want to bring it up; in social studies just continue to do the assignments I am posting online for extra credit. In Career Path please go to your everfi account and do the lessons with a passing grade for at least 10 points per lesson after payment types. If you complete any everfi lessons after payment types, please let me know so that I can give you credit for your work. You can contact me at my email address rwatkins@fpsb.us

Students: You need to use your personal google email account (not google classroom) to post to my youtube page. If you don't have a google email you need to create one. It only takes a minute and it's free. Don't forget to get a brainpop account as well. Crowville School also has a free Brainpop account that you can use. User: crowville Pass: bulldogs1

Update: 4/15/20

Attention: If you tried to post a comment and couldn't it is now working. I didn't realize the comments were cut off. Sorry!

Hello Students, again hope you are all doing well. Just a few updates to post. First, do not use your google classroom accounts to do my assignments. I have heard several students are having trouble getting to certain links for my assignments. I have tried to make this as simple as possible, so just log onto the internet, go to Crowville School website, and go to the links I have assigned for you throughout the lesson. I have updated my youtube page so it is more understandable. The link has also changed so click the new link below. Note: the first slide to America The Story Of Us does not work, but the rest does. There should be 10 slides in the playlist. Several students have responded to the documentary, but several of you have not. For the ones that have responded your answers were good, **nice work!** If you

posted earlier, please feel free to repost your answers to show the others how it is done. If you have not commented on the videos, the deadline is Friday April 17, 2020. I will be posting some brainpop videos for you to watch and practice answering the questions within the next 24 to 48 hours. Videos use a lot of data, so if you are having trouble with a data plan on your internet, you may want to go to a paper packet from the school. There were plenty available when I went there yesterday. Again: Go back and do the assignment below if you have not done so, so that your assignments do not build up. When you click the link below a small link opens and when you click it it should take you to the correct page. Email me if you have any further questions. Take Care and be safe.

Mrs. Watkins

4/9/20

Hello students! Hope you all are doing well and are being safe by staying at home and making sure you keep your hands clean especially before you eat anything. When we discussed coronavirus now known as covid-19 before we left on spring break I knew it was bad in China and Europe but I had no idea it would get this bad in the United States. This is not the first pandemic America has endured. The worst on record was the Spanish Flu of 1918 but covid-19

looks like it may be just as bad. But in spite of this horrible plague that is upon us we must pray for each other and you must continue to work hard to get your education so that you can do your part to help this country recover and prosper for years to come. So with that in mind, here is your first assignment.

Assignment:

Quickly review what you have learned before leaving on spring break by going to this link in youtube:

https://www.youtube.com/watch?v=TPU0PT1DdKY&list=P_Lxhb1c7w3RxQ2UiSEkZ7TV3YO9FTduHM8&index=2 You

can start with slide 7 the California gold rush and watch thru slide ten the invention of the steam boat. Next, go to my youtube page: https://youtu.be/eH_9BBAdOb0 and post a brief response about what you have learned so others can see what you've learned. See more below.

I will have another assignment for you in a few days. Don't worry it will not be difficult. In the meantime, I need everyone and their parents to go to brainpop.com and register for a free Brainpop account. Brainpop is free because of covid-19, and because it is free we will be using it mostly for the remainder of the school year. You will need it for your next assignment. If you have any questions, you can email me at rwatkins@fpsb.us

PS: Don't forget to check this bulletin board at least twice a week for assignments. There may only be one per week but still check to see when I have posted a new assignment.

Have a great day *
