

■ About The Social/Movie Group ■

The **Social/Movie Group** is an inclusive and fun community where everyone belongs. Whether you're interested in movies, food, chat, or more, everyone is welcome! Join us to meet new people and build genuine connections. What began as a small discussion group in San Diego more than a decade ago has grown—thanks to the dedication of past leaders such as Glitz Glam and Eddie—into a thriving, region-wide community of movie enthusiasts, food lovers, and adventure seekers. Under the passionate leadership of Luis for more than five years, the group continues to foster inclusive, welcoming events for members across Southern California, and will launch in new cities like Los Angeles, and Orange County and other areas in the future.

Our Mission: Your Community, Your Experience.

Our mission is to cultivate a vibrant, supportive, and inclusive community and create memorable experiences that bring people together. We warmly welcome individuals of all ages, backgrounds, and interests. Whether you are seeking connection, entertainment, or new experiences, you will find a supportive and welcoming community where everyone feels at home. We invite you to join us and look forward to sharing meaningful moments together.

What We Do:

Movies & film events • Group dinners • Karaoke & social nights • Comedy shows • Broadway & theater • Community & give-back events • Always discovering new things together • ...and more!

While we're not a registered nonprofit or LLC, we operate with the spirit of a community-driven nonprofit. Every dollar goes back into our members and activities. During the holiday season (Oct–Dec) we focus on giving back through hygiene kit creation, Thanksgiving food drives, and Christmas gifts for kids and families in need.

Our Partnerships

We've teamed up with fantastic organizations like The Big Gay Picnic, Urban Mo's, FilmOut San Diego, Vista Hill, Safe Harbors Network, and local comedy venues. With over **2,500 members across all our platforms combined**, we're always on the lookout for new activities, collaborations, partnerships, and sponsors with other groups, nonprofits, businesses, and similar organizations.

Got an idea, venue, or prize to share? We'd love to collaborate! Contact Luis at **luis@thesocialmoviegroup.com** or find us on **Meetup, Facebook, Discord, or our website**. Let's create something amazing together!
