

# Playaway Audiobook Kits

Dear Parent/Guardian,

Your child has expressed interest in checking out a **Playaway audiobook kit** from the Roosevelt Middle School Library. Research shows that listening while reading supports fluency and comprehension—and audiobooks are also an engaging and enjoyable way for students to experience literature.

The RMS Library offers hundreds of audiobooks in a variety of formats. To check out and take home a **Playaway audiobook kit**, your permission is required. Each kit includes a printed copy of the book and a small digital Playaway device. Because these kits range in value from **\$20 to \$150**, it's important that students handle them with care. By signing the permission form, you acknowledge responsibility for helping your student learn to care for borrowed materials.

In addition, RMS Library also provides a **digital collection of audiobooks** through the free *MackinVia* app. Students may access unlimited eBooks and audiobooks through this app, and no permission form is required.

Thank you for supporting this reading opportunity for our students. If you have any questions or would like help setting up the MackinVia app, please feel free to contact me.

Happy reading,

Please **detach and return** this form to the RMS Library:
