

## *8th grade Budget/Personal Finance Simulation*

WBL Level: Awareness

Activity Description	Successful Completion looks like...
Students will participate in a financial simulation in which students will select a career based on their interest and be given a corresponding salary. Students will roll dice to determine marital status, children, etc and will make decisions like housing, utilities, child care, food, clothing, etc. Students will see how their decisions impact their monthly budget.	<ul style="list-style-type: none"><li>• Attend your scheduled session.</li><li>• Be courteous with professionals and volunteers.</li><li>• Engage in conversation with professionals.</li><li>• Ask questions</li><li>• Use a career for the simulation based on interests not necessarily that career's salary.</li></ul>
