Understanding Foreign Cultures when doing business together

Use the following website <https://commisceo-global.com/categories/country-guides/> to research a foreign country's culture and best business practices.

1. Pick a country _____
2. Research some basic cultural information one would need to know to visit the country.

3. What are some best practices when doing business with this country? For example, greeting, gifts, negotiations, punctuality, showing respect, and sharing a meal with them.

4. Create a dialogue to role play for the class to show some basics to doing business in this country as an American. Write at least 6 interaction statements.
